

VILLAGE OF CLAYTON Contractor Qualification Requirements

1. CERTIFICATION PROCESS

All new installations and modification to existing water or sewer mainlines must be performed by a contractor that is approved by the Village of Clayton.

Contractors that are interested in obtaining approval shall submit the attached application and supporting documentation.

2. MINIMUM QUALIFICATIONS

Contractors performing direct connections into a mainline (i.e., hot-tap) must demonstrate that they meet the following minimum requirements:

- a. Contractor requesting approval to perform direct connections into mainlines (i.e., hot-taps) must have five (5) years experience performing residential/commercial mainline or lateral installations in New York State.
- b. Sufficient equipment, knowledgeable staff, and financial resources to perform the work requested.
- c. History of commitment to detail, quality, completion of projects within reasonable schedule, and customer satisfaction;
- d. Familiarity with local codes and the Village of Clayton construction specifications and administrative requirements;
- e. Comprehensive General Liability, including personal injury coverage of \$1,000,000 per occurrence - \$2,000,000 in the aggregate; property damage in the amount of \$500,000 per occurrence and \$1,000,000 in the aggregate; Automobile coverage, with a combined single limit of \$1,000,000; Statutory Workers' Compensation and Disability coverage. An umbrella policy may be used to meet coverage limits as set forth above; insurance must be issued in NYS.

3. REVIEW PROCESS

The Village of Clayton will periodically review the list of approved Contractors. Contractors that: do not follow technical specifications; do not provide advance notice for inspection; do not maintain adequate resources to perform services; do not maintain current insurance coverage; or receive quality/schedule complaints from customers will be removed from the approved contractor list.
